Jesus Chapel is a non-denominational church of approximately 200 members with great facilities and a thirty-plus-year history. Our doctrine is evangelical, but also charismatic, meaning we believe that God still moves supernaturally through the gifts of His Spirit in our day. We seek to be elder-led. Our statement of faith can be accessed at our website, www.jesuschapelep.com.

We are seeking candidates for the position of Senior Pastor. The ideal candidate will be a gifted expository preacher who is able to connect with a diverse community and work with a team of pastors and elders in shepherding the church toward a God-given, biblically-faithful vision of the future.
